Little Rock, AR
9:00 a.m. – 3:00 p.m.**

The Little Rock **Racial and Cultural Diversity Commission** in partnership with the **Clinton Presidential Center and Park** would like to extend a special invitation to schools – both public and private – to participate in the City of Little Rock's 15th annual multicultural event: **World Fest 2010**.

World Fest is a FREE annual festival which celebrates the global fabric of our city. Through nationally awarded educational and cultural activities, the goal of **World Fest** is to promote diversity education and multicultural appreciation.

Students are encouraged to celebrate diversity and learn varying cultures by signing up for the following **World Fest** activities:

- **Global Imagination Stage**: An activity in which students deliver an on-stage performance demonstrating an art from a varying culture. Performances may include a cultural dance, song or poem, etc.
- **World Cultural Fair Contest**: An activity in which students research, learn, and set up a display to showcase facts and interesting features about a particular country.

Additionally, participating schools are eligible for FREE tour opportunities at the Clinton Presidential Center Library **and** at Heifer Village, a global education facility located on the Heifer International campus.

Join us along with thousands of other students on **Friday, September 24th** at the **Clinton Presidential Center and Park** for a world of diversity education, celebration and fun!

Note: The Clinton Presidential Center and Park has limited resources available to assist schools with bus transportation. Contact Joyce Willis for more information at: (501) 748-0472 or by email at: jwillis@clintonfoundation.org.
